

# 4th of July Parade and Picnic!

Join in the fun on Saturday, July 4th, 9:30 AM.

Our neighborhood's biggest annual event will take place on Saturday, July 4 from 9:30 am to 12:00 noon. It will be a great time of food, fun and fellowship as we celebrate the birth of our nation.

As we have for several years, we'll gather in front of Cary Middle School at 9:30 AM, then march down Killion to Walnut Hill Park. Plan to decorate your bikes, strollers, wagons, dogs, kids and yourself in your finest red, white and blue and join us for the parade. Since

we ask that everybody bring some sort of food item to share, you can drop it off at the park before lining up

for the parade. If you aren't marching in the parade, you can just come with a food item to the park, where the parade should arrive about 10:00 AM.

Once at the park, we'll have a bounce house/slide, clown/balloon artist, and many fun games and prizes. We can always use volunteers to help secure supplies prior to the 4th, as well as to help set up the morning of the 4th. If you would like to help, please call Ross Coulter at (214) 366-0090 or email him at [ross@coultergroup.com](mailto:ross@coultergroup.com)

## Police Patrol Update

In the three-and-a-half months since it kicked off, our paid police patrol has really made a difference in our neighborhood. The officers have been involved in three arrests, and by simply being a presence, resulted in a car that had been stolen in a carjacking at Peter Pan Park being dumped undamaged before even leaving the neighborhood. Especially late Friday and Saturday nights, the program is helping to keep potential criminals out of our area.

## Water Restrictions

Please remember that we are now under the summer hours for watering, which means sprinkler systems should not operate between 10:00 AM and 6:00 PM until November 1.

# PAID POLICE PATROL and VIP

While there have been a few glitches as we work out the police patrol program, neighbors have enjoyed being able to call and leave a message for the officers to watch out for their house while out of town. We have also had officers respond in less than a minute to a general call that went out while they were on patrol.

Anybody who has already paid is good through this year and does

not need to pay again until we start collecting for 2010. If you would still like to contribute so you can get the cell phone and special email updates, please let us know.

Linda Befort at (214) 956-6788 or [linda@befort.org](mailto:linda@befort.org) can let you know if you are paid up. Ross Coulter at (214) 366-0090 or [ross@coultergroup.com](mailto:ross@coultergroup.com) can give you more detail on the program's operation.
